Please see below. Let's discuss a plan for this location, which all of us have seen grow steadily worse recently.

Thanks.

Hi Edna,

Yes, we will send outreach to the location and have SAN install an additional trash can.

Thanks.

Hello,

One of our office's top priorities is to address the Homeless Encampment located on 1st St between Broadway and Spring. In October we scheduled CSLA clean-up for this location, but this had very little impact. I also previously requested sending out outreach workers to let the folks there know about 56.11 and their tents being put away by 6am. On occasion, I've seen LAPD on foot and on horse go out and speak with these folks, but there's been little progress in relocating folks into housing or shelter.

Is there any way an outreach team can be dedicated to this location and pay them a visit periodically (once every 2 weeks)? Can an extra trash bin be placed here? Every day the trash near the bus stop is overflowing.

Thank you,  
Edna
